ORDER SHEET

Office Note	Order No.	Date	Order
	1.	29/02/2024	<p>The complaint would relate to medical negligence that would be clearly outside our domain. The complainant would be at liberty to approach the appropriate authority questioning the treatment protocol.</p> <p>The complainant would contend, the patient was admitted on October 8, 2023 and died on October 12, 2023. They took time to come out of the trauma hence, there has been some delay in approaching the Commission. We condone such delay. We hope and trust, the appropriate authority, if approached, would also take the same approach and hear the complaint on merits.</p>

The complaint is disposed of accordingly.
