Charnock Hospital.....**Respondent/ Respondents**

ORDER SHEET

Office Note	Order No.	Date	Order
	1.	28/10/2024	<p>The complaint would relate to a pregnant lady who was under constant check-up of Dr. Parijat Sanyal in Charnok Hospital, the CE above named. When the patient developed labour pain she was asked by the concerned doctor to approach another establishment and not Charnok.</p> <p>The complainant, however, approached Charnok and Charnok helped her by providing services through another Gynaecologist Dr Abhishek Roy who ultimately got the Caesarean C section done.</p> <p>By the grace of God, the mother and child are fine.</p> <p>The complainant is present*online. According to him,</p>

his complaint would principally relate to misbehaviour of the concerned doctor, not the establishment.

In such event, we do not find any scope to interfere as against the establishment.

The complainant would be free to approach the appropriate authority against the concerned doctor.

The complaint is disposed of accordingly.
