vs

Shri Hospital (Kulti Hospital Pvt Ltd.).....Respondent/ Respondents

ORDER SHEET

Office Note	Order No.	Date	Order
	1.	26/03/2025	<p>The complaint would principally relate to medical negligence.</p> <p>On our request, Dr. Pratik Das, Nephrologist, Kolkata Kidney Institute, is present. He is of the prima facie view, that due treatment was given. However, we make it clear, such observation must not influence the proceedings before the West Bengal Medical Council, if brought against the treating doctor.</p> <p>The complainant would also contend, since the</p>

patient had so many comorbidities and was too critical why he was not shifted to ICU.

This question could also be effectively answered by the West Bengal Medical Councils it would be outside our domain.

We grant liberty to the complainant to apply for medical records indicating the records that he would require. On receipt of such application, the CE would be obliged to provide all the records that would be asked for at once.

The complaint is disposed of accordingly.
