The complainant, in support of such deletion, has relied on two documents being AMRI Saltlake Medico Legal Case report and Manipal Hospital ER death summery.

The relevant portion is quoted below:-

before us at the time of hearing.

The second paragraph of the order would only record the contentions of the petitioner. Since the petitioner does not want to have the portion quoted supra recorded in our original order on the basis of the said two documents produced before us we direct deletion of the said portion.

We abundantly make it clear, we have not gone into the veracity of the said two documents now produced before us, being the Medico Legal Case report of AMRI, Salt Lake dated May 4, 2025 and Manipal Hospital ER death summery dated May 4, 2025.

The application for modification is disposed of accordingly.
