**Case Reference:INT/KOL/2025/050**

Mr. Jamirul Islam..... Complainant

vs

Bangur Medical Centre, Kolkata.....Respondent/ Respondents

**ORDER SHEET**

Office Note	Order No.	Date	Order
	1.	06/11/2025	<p>The complaint would relate to medical fitness report.</p> <p>The complainant would contend,initially he was asked to do the HRCT at a designated centre where the report came as “Pleural Thickening Lt CP.” On that basis, he was declared unfit. On September 18, 2025 he got his HRCT done in Murshidabad Medical College where his report was normal.</p> <p>We have not been favoured with the X-ray plates however, we find that the concerned medical centre is enjoying the licence in the name of one Shanu Mullaveetti who claims to be a doctor having registration with Kerala Medical Council. He is candid enough to say that he has no registration with the West Bengal Medical</p>

Council.

The report is digitally signed by him from Kerala.

We are in doubt as to how this centre could be run without any medical practitioner having registration in West Bengal.

When we received the complaint we asked for a response. The CE has not given any response.

The matter is sent to the Director of Health Service to make a thorough investigation and take the issue to a logical conclusion.

The complaint is disposed of accordingly.
