Appeal Case

Pramanik Diagnostic Centre Complainant

vs

ADM(Health), Malda & Adjudicating Authority.....Respondent/ Respondents

ORDER SHEET

Office Note	Order No.	Date	Order
	1.	19/11/2025	<p>The Centre is being run without any valid license and/or safety measures that they are obliged to run a diagnostic centre.</p> <p>On receipt of the complaint ADM(Health) inspected the premises and gave hearing to the concerned person and ultimately directed closure of the centre as also penalty of Rs 10,00,000/-.</p> <p>The appellant has now come up as against the order of the ADM (Health) directing closure of the centre as well as penalty.</p> <p>We have heard the appellant as also his advocate.</p>

We have gone through the order impugned. There are serious lapses that are apparent on the face of the record.

We grant one more opportunity to the appellant to remove the deficiency.

Let him deposit at least 50 per cent of the penalty amount within a month from date.

He would also be at liberty to take appropriate measures to remove the deficiency.

After deposit is made and the deficiency is removed, the appellant would be entitled to ask for physical inspection of the centre.

The appellant would also be entitled to pray for reduction of the amount of penalty. We would consider such prayer once 50 per cent of the penalty amount is deposited and the deficiencies are removed.

Place this matter after two months.

The complaint is disposed of.
