**ORDER SHEET**

Office Note	Order No.	Date	Order
	1.	19/11/2025	<p>The complaint would relate to very very unfortunate case where a young boy aged about 18 years died even after transplant of kidney as there had been a rejection.</p> <p>The patient had CMV, Pneumonia and Encephalitis.</p> <p>The complainant, the father of the victim, has approached us with a prayer for taking steps against the Clinical Establishment as according to him, the medical board was not constituted at the right moment for evaluating the treatment protocol. It was done belatedly when there was no option left to save the life of the unfortunate boy.</p> <p>Our expert, Dr. Kaushik Bhattacharya, Associate</p>

Professor, Nephrology, IPGMER, is present to assist us. He has evaluated the medical records. He has interaction with the treating doctor.

We feel, interest of justice would be sub-served if we wait for a decision of the West Bengal Medical Council where the complaint against the doctor is awaiting disposal.

We grant liberty to the complainant to approach us afresh in case he is successful therein.

The complaint is disposed of.
