vs

Mission Hospital, Durgapur.....Respondent/ Respondents

ORDER SHEET

Office Note	Order No.	Date	Order
	1.	02/03/2026	<p>The complaint would relate to an unpleasant situation resulting forceful discharge of a patient.</p> <p>The patient was admitted for orthopaedic intervention. The patient had other co-morbidities. Surgery was done on February 11, 2026. The patient was transferred to bed on February 14, 2026 from ICU and discharged on the very next day; on February 15, 2026. However, condition of the patient deteriorated, as a result the patient had to readmitted at Kolkata on February 18, 2026. Curative surgery has now been done as we understand from the complainant who is present online on the phone.</p> <p>We have examined the cctv footage shared by the</p>

hospital at Durgapur. We do not find any serious altercation. However, something must have happened for which the patient was discharged as alleged.

As per the medical records the patient was stable at the time of discharge.

The complainant would contend, several investigation reports were withheld.

We direct the CE to give all reports that are wanting to the representative of the complainant as and when approached.

We hope and expect, the patient would recover soon after the curative surgery.

The complainant would be free to question the alleged forceful discharge before the appropriate authority.

In case he is successful he would be at liberty to apply afresh before us for appropriate relief.

The complaint is disposed of accordingly.
