COMPLAINT ID: KOL/2018/000324.

Mr. Tanmoy Das.....Complainant.

-versus-

R.N.Tagore International Institute of Cardiac Sciences & others.....Respondents.

Date of judgment: 31<sup>st</sup> July, 2018.

J U D G M E N T .

It is the case of the complainant that his brother was admitted at R.N. Tagore International Institute of Cardiac Sciences on 09.12.2017 with fever and lung infection under Dr. Jyotisikha Pal and Dr. R. Sharma. The entire expense for the treatment was borne out under CGHS.

It is his further case that his father was initially kept in ventilation for 2/3 days on the pretext that any time he might have cardiac arrest and then kept him there for about a fortnight. Thereafter, the doctor repeatedly insisted him to get his father discharged from the hospital and when he expressed his disagreement, he was misbehaved. In addition to that, it was claimed that after the death of his father, a total bill of Rs.8 lakh was raised and out of that a sum of Rs.74 thousand on account of non-medical part of the treatment but finally that amount was waived.

We have very carefully gone through the medical papers of the patient and do not find any fault on the part of the doctors in his treatment and deficiency in patient care service on the part of the Clinical Establishment.

It be noted that before the Commission, the concerned doctor although did not admit that he misbehaved with the patient party but submitted that if his utterance hurt the patient party, he apologize for the same.

Having regards to above, this case stands closed and disposed of.
