Office Note	Order No.	Date	Order
	1.	11/06/2019	<p>The complainant is not present. We have heard the establishment which has no licence under the Clinical Establishment Act. Mr. Apurba Ganguly, the owner of the establishment, is present. He would contend, he applied for licence that is yet to be granted by the concerned authority. Such application is pending since 2015. Hence, it is apparent, the establishment does not have licence as of date. He is thus not entitled to run the same without a proper licence under the said Act.</p> <p>We direct the state through the Health Department to take appropriate steps to close this institution with immediate effect so that the public at large, are not misled.</p> <p>In case the establishment is having any complain of non receipt of the licence, they would have their remedy in law. So long the licence is not received by them they are not entitled to run the institute.</p> <p>With this, the complaint is disposed of.</p> <p>The petitioner would be at liberty to take appropriate steps as against the establishment before the appropriate forum in accordance with law with regard to his complaint.</p>
