Mr. Biswajit Ghosh Complainant

vs

Green Park Diagnostic Centre..... Respondent/ Respondents

ORDER SHEET

Office Note	Order No.	Date	Order
	1.	22/05/2019	<p>This complaint would relate to different pathological report of the same patient. The medical experts present in the panel are unanimous of the view that the difference that are apparent from two reports are not abnormal and can happen to a new born baby, particularly when the samples are drawn on two different dates.</p> <p>However, we take serious note of the gross mistake on the part of the pathological lab who described the infant as female, whereas the sample was drawn from a male child.</p> <p>We caution the establishment and in future, if we find the same mistake committed by them we would recommend for suitable punitive action.</p> <p>With this observation, the complaint is disposed of.</p> <p>Office to communicate this order to both the parties.</p>
