ORDER SHEET

Office Note	Order No.	Date	Order
	1.	03/06/2019	<p>We have examined the complaint as well as the comments offered by the establishment. It appears that the concerned radiologist, in his report clearly mentioned his doubts about the nature of the mass that could be seen from the X-ray plate. He suggested to go for, cystoscopy that was done after a month when the mass could not be found. The doctors, in our panel, are unanimous of the view; the mass could have been blood clot that got dissolved in course of time.</p> <p>We do not find any scope for interfere. Thus, the complaint is disposed of.</p> <p>Sd/-</p> <p>Hon'ble Chairperson</p> <p>Sd/-</p> <p>Dr. Sukumar Mukherjee, Member</p> <p>Sd/-</p> <p>Dr. Madhusudan Banerjee, Member</p> <p>Sd/-</p> <p>Dr. Pradip Kumar Mitra, Member</p>
