ORDER SHEET

Office Note	Order No.	Date	Order
	2.	26/06/2019	<p>This is an accident case where the patient succumbed to the injury.</p> <p>The patient suffered a motor accident. He was rushed to Gouri Devi Hospital, Durgapur where he was under treatment for three days. The petitioner, the widow of the patient, got him admitted in the above medical establishment for better medical care where the patient had to undergo orthopaedic surgical intervention. Dr. Bikash Bisui, the consultant Anaesthesiologist is present. According to him, initially surgery was uneventful. However, at the end, the condition of the patient deteriorated. Since there was no proper set up to give adequate medical care the patient was taken to Mission Hospital, Durgapur. The concerned Surgeon as well as the concerned Anaesthesiologist accompanied the patient to Mission Hospital. Unfortunately, the patient died during transit as it appears from the timing of the death mentioned in the medical records. The petitioner is present. She is represented by Gazi Mohammad Rafik, relative. Mr.</p>

		<p>Rafik contends, the hospital should not have admitted the patient when there was no proper set up for advance treatment. He is also in doubt about the nature of the treatment.</p> <p>We have heard the parties at length. We do not find any specific allegation as against the clinical establishment. It is a case of medical negligence if proved. Prima facie we do not find any medical negligence and grant liberty to the petitioner to approach the West Bengal Medical Council if she so desires. We would also grant liberty to approach us again if occasion so arises.</p> <p>The complaint is disposed of.</p> <p>Sd/- Hon'ble Chairperson</p> <p>Sd/- Dr. Sukumar Mukherjee, Member</p> <p>Sd/- Dr. Madhusudan Banerjee, Member</p>
