|             | 1.        | 03/07/2019 | <p>Patient was operated for phimosis by Dr. Tapas Mallik. At post-operative stage the patient had some complication for which he was seen by Dr. Mallik and subsequently, he took opinion from other surgeon. On May 15 2019 he attended surgery department of R.G.Kar Medical College Hospital. The R.G.Kar Medical College report would show, the patient had hematoma and dorsal contracture which was repaired through surgical intervention. At present, patient is having some pain, otherwise operation site is normal.</p> <p>The father of the patient is present. He has submitted photocopy of medical records that would be kept on record.</p> <p>We do not find any allegation as against the clinical establishment. The petitioner would complain about the complication in surgery that would be looked into by the West Bengal Medical Council. The record is transmitted to the Medical Council for their decision.</p> <p>Since there is no complain as against the medical establishment there is no scope for interference at our end.</p> <p>The complaint is disposed of.</p> <p>Sd/-<br/>Hon'ble Chairperson</p> |
