| | | 21/08/2019 | <p>This matter came up for hearing before us on May 22,2019. When we found from our record a mail dated December 24,2018 from the complainant expressing his desire to withdraw the complaint. The complainant was present. He denied to have sent the said mail. According to him, someone might have hacked his mail ID and sent the same. We sent it to the Deputy Commissioner, Detective Department, Bidhannagar Commissionerate to conduct an enquiry and submit a report to us. The Bidhannagar Commissionerate informed us, the case would fall within the jurisdiction of the Kolkata Police. When we were about to send the same to the Kolkata Police, we received a letter from the complainant admitting the factum of sending the mail. According to him, it was sent by his mother using his mail ID and it was not known to him. Pertinent to note, his mother was also present on the last occasion. We did not proceed further on the issue and placed the matter for hearing today. Now we are confronted with another mail dated August 20, 2019 from the complainant accusing one of our esteem members of the panel. The complainant observed, he lost faith in the Commission. He is absent today. We dismiss his complaint. Let a copy of the order be sent to him for his information.</p> <p>Sd/- Hon'ble Chairperson</p> |
