Kamakshya Prasad Mukherjee..... Complainant

vs

Annapurna Nursing Home. Respondent/ Respondents

ORDER SHEET

Office Note	Order No.	Date	Order
		22/08/2019	<p>This complaint was filed alleging medical negligence and deficiency of the clinical establishment in an unfortunate incident a lady aged about 40 years died in a case of 30% burn injury. We heard this matter on the last occasion and found deficiency. Today, when the matter has come up for final hearing, we are confronted with an application for withdrawal of the complaint filed by the complainant wherein the complainant would submit, he would not be proceeding with the complaint as he has come to know, the owner of the nursing home, a vegetable vendor in a nearby market, is nothing but a name lender and the nursing home is run by local miscreants. In the original complaint, he has referred to one, Lakshmikanta Dutta who posed himself as a Doctor and owner of the nursing home. Lakshmikanta Dutta is conspicuously absent before us. The Learned Advocate appearing for the clinical establishment would contend, Mr. Dutta brought the patient to the nursing home for treatment. He had otherwise no connection with the nursing home. However, the referral surgeon Dr. Panja would inform us, Mr. Dutta had some relation with the nursing home however, he is not definite, in what capacity he was connected with the nursing home.</p> <p>This is a serious matter. Since the complainant is not proceeding with his complaint we cannot proceed further, however, we cannot be oblivious</p>

considering the backdrop as highlighted above. We would ask the CMOH, Burdwan to conduct an enquiry and take appropriate steps, if not already done. We also request the Superintendent of Police, Burdwan to take appropriate measure to bring the culprit to book.

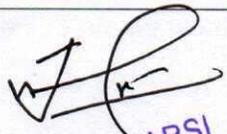

This complaint is disposed of at our end.
