ORDER SHEET

Office Note	Order No.	Date	Order
	1.	27/11/2019	<p>The complain would relate to an unfortunate death due to treatment complication as alleged by complainant. The Medical record would show, the patient was a critically ill patient and it was not a case where he was neglected in treatment, at least, in our prima facie view. However, whether the right treatment was done or not would be within the domain of the West Bengal Medical Council. The complainant has already approached the West Bengal Medical Council as against the treating doctor being the Cardiologist and the Neurologist. Such proceeding is pending and awaiting its disposal. The complainant has also grievance for the delay in conducting the diagnostic examination that was suggested by the treating doctor. He would at liberty to implead the Sonologist and/ or any other doctor, if he so wants, before the West Bengal Medical Council.</p> <p>We permit him to approach us again in future incase he gets the suitable decision from the West Bengal Medical Council in his favour.</p> <p>The complaint is disposed of.</p>
