Joymala Memorial Hospital, KalyaniRespondent/ Respondents

ORDER SHEET

Office Note	Order No.	Date	Order
	1.	08/01/2020	<p>The complaint would pertain to medical negligence. The nursing home has already paid a sum of Rs. 50,000/- to ameliorate the grievance of the complainant. The complainant would however contend, because of such negligence, the patient is still suffering even after spending huge sum for treatment. The Nursing Home Authority is prepared to pay further reasonable compensation, if so directed by us. We understand, the Nursing Home Authority approached the patient party for a settlement by payment of compensation of Rs.3 lakhs. The Nursing Home would however, deny such allegation. Be that as it may, we accept the version of the patient party and ask the Nursing Home Authority to pay the balance amount of Rs. 2.5 lakhs.</p> <p>The clinical establishment would pray for some time to pay off the compensation. We permit them to pay a sum of Rs. 50,000/- within a week from date and balance amount of Rs.2,00,000 /- within three months thereafter.</p> <p>In case, the clinical establishment pays the said sum the complainant would not be entitled to proceed as against the clinical</p>

establishment before any other forum.

With regard to further treatment, we would request Professor Dr. Subhasis Ghosh, Bangur Institute of Neurology to examine the patient and do the needful for her treatment.

The complainant would furnish the Bank details so that the clinical establishment could transfer the money directly to her bank account.

The complaint is disposed of accordingly.
