vs

Dafodil Hospital..... Respondent/ Respondents

ORDER SHEET

Office Note	Order No.	Date	Order
	1.	21/01/2022	<p>The complaint would relate to an unfortunate death due to post surgical complication in a case of gall bladder surgery. We have carefully perused the records. Although we find some justifications in the complaint as against the CE on behavioural issue, the main crux of the matter would relate to questioning the treatment protocol that would be completely outside our domain. We permit the complainants to approach the appropriate authority questioning the treatment protocol. If they are successful therein they would be at liberty to approach us again for appropriate relief as against the CE.</p> <p>The complaint is disposed of accordingly.</p>
