**Case Reference: INT/NPG/2022/060**

Ms. Pramila Biswas .. ..... Complainant

vs

Suraksha Diagnostics..... Respondent/ Respondents

**ORDER SHEET**

Office Note	Order No.	Date	Order
	1.	11/03/2022	<p>The complaint would relate to Ultrasound Report where a cyst could be found measuring about 7 cm.</p> <p>The complainant would contend, on the advice of the concerned Gynaecologist she had undergone surgery on the 8<sup>th</sup> day of Ultrasound examination when no cyst could be found.</p> <p>We have examined the records. Dr. Utpalendu Das, HOD, IPGMER is present on our request. According to him, the cyst was present as would appear from the image that has been shared by the complainant.</p> <p>Dr. Madhusudan Banerjee, our esteemed member and an expert on the subject, would observe, since the surgery</p>

		<p>was done on the 8<sup>th</sup> day the cyst might have disappeared. He feels, the concerned Gynaecologist could have waited for some time. However, this is his prima facie observation.</p> <p>Since we do not find any mistake done by the sonologist we do not incline to interfere.</p> <p>The complaint is disposed of accordingly.</p> <p>Sd/- The Hon'ble Chairperson</p> <p>Sd/- Prof. (Dr.) Madhusudan Banerjee – Member</p> <p>Sd/- Dr. Maitrayee Banerjee – Member</p> <p>Sd/- Smt Madhabi Das – Member</p> <p><i>Authenticated</i> <i>[Signature]</i></p> <p>Secretary West Bengal Clinical Establishment Regulatory Commission</p>
