Dated 1.8.2020

To

The Chief Executive Officer / Unit Heads / Medical Superintendents  
Clinical Establishments (all)

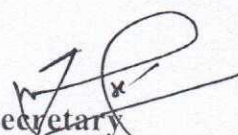

Madam / Sir,

This is to inform you that the West Bengal Clinical Establishment Regulatory Commission has given an advisory which is as follows:

### **ADVISORY -5**

1. It has come to the notice of the Commission that the some of the patients are reluctant to get discharged despite being advised by the treating doctor. As a result, there is scarcity of vacant beds in the clinical establishments.
2. Henceforth, the treating doctor would review the condition of the patient every day and if satisfied about the condition of the patient, may issue the order of discharge advising the patient to follow the treatment guideline staying at home in consultation with the treating doctors over telephone. Despite such advice being given and despite order of discharge being issued, in case any of the patients would be reluctant to get discharged, he/ she would be transferred to the safe home / satellite centre run by the concerned clinical establishment under care of a dedicated medical team engaged for the said purpose and the bed so vacated by the patient would be allotted to a deserving patient in waiting.

You are requested to comply with the above advisory.

  
Secretary  
(Arshad Hasan Warsi)
