Memo No. – 1409/WBCERC//2020

Dated 1.8.2020

To

The Chief Executive Officer / Unit Heads / Medical Superintendents
Clinical Establishments (all)

Madam / Sir,

This is to inform you that the West Bengal Clinical Establishment Regulatory Commission has given an advisory which is as follows:

ADVISORY - 6

1. It has come to the notice of the Commission that there are dearth of beds in the clinical establishments and sometimes causing immense problem to the patients in waiting.
2. Henceforth, if there are more patients in waiting at the emergency or triage compared to the number of vacant beds available, the doctor-on-duty would assess the condition of each of the patients in waiting and allot the beds to the deserving patients ignoring any other extraneous consideration and/or recommendations, if any. In short, the doctor-on-duty would be the sole authority to decide who would be allotted the vacant bed considering the necessity of that particular patient and the decision of the doctor-on-duty would be final and binding upon all.
3. The same procedure would be followed in case of transfer of a patient from normal bed to ICU/ITU.

You are requested to comply with the above advisory.

Secretary
