Memo No. – 1410/WBCERC//2020

Dated 1.8.2020

To  
The Chief Executive Officer / Unit Heads / Medical Superintendents  
Clinical Establishments (all)

Madam / Sir,

This is to inform you that the West Bengal Clinical Establishment Regulatory Commission has given an advisory which is as follows:

### **ADVISORY- 7**

1. It is common knowledge of all working in health sector, high end anti-biotics, for example “Meropenem” is commonly used in critical care management in ICU / ITU. The said medicine is available in the market in different brands having different price tags.
2. Henceforth, the pharmacy attached to all the clinical establishments must ensure adequate stock of these medicines at least in 3/ 4 brands.
3. Unless specifically prescribed by the concerned doctor of a particular brand, the pharmacy must supply “Meropenem” available at the stock having price tags comparatively lower than the other brands available therein. This would reduce a substantial burden of a patient being treated in ICU / ITU.

You are requested to comply with the above advisory.

  
Secretary  
(Arshad Hasan Warsi)  
W.B.C.E.R.C.
