Memo No 1410/1/WBCERC/2020

Dated August 1, 2020.

To

The Chief Executive Officer/ Unit Heads/ Medical Superintendents  
Clinical Establishments (all)

Madam/ Sir,

This is to inform you that the West Bengal Clinical Establishment Regulatory Commission has given an advisory which is as follows:-

**A D V I S O R Y – 8**

1. It has been observed that a large number of drugs, antibiotics, anti-fungal, analgesics and other drugs are available in the market in different price range. Most of the Clinical Establishments are billing the patient with highest price brand available. This poses huge financial burden for the patients. Patient's relatives shall be offered to choose which branch they would like to purchase. Billing the highest price of the brand routinely should be avoided.

*This is for compliance.*

Secretary
