Memo No. 89/WBCERC/2022

Date: 27/01/2022

ADVISORY-27

Whereas covid- 2019 is still continuing as pandemic and covid regulations are in force.

And

Whereas Rs. 950/- was fixed for covid 2019 RTPCR test by the private laboratories in the State vide memo No. 783 HFW/Secy./2020 Dated-03/12/2020 .

And

Whereas revision of the rate was under consideration in consultation with the Department.

And

Whereas there has been further noticeable reduction in market price of the testing reagents including RT PCR Kits, RNA Extraction Kits VTM and it has been felt that the reduction in the notified rate has become necessary in public interest.

Now, after careful consideration of different aspects by the Commission, I am directed to issue the following Advisory revising the notified rate as follows:-

Type of COVID 19 Tests	Capped rate per test
RT-PCR	Rs.500/- (Rupees five hundred ) only

This Advisory will have immediate effect.
