vs

G.F.C. Hospital, Ghatal..... Respondent/ Respondents

ORDER SHEET

Office Note	Order No.	Date	Order
	1.	13/04/2022	<p>The complaint would relate to post surgical complication in case of Gallbladder surgery for Cholecystitis and Cholelithiasis.</p> <p>The facts reveal, the patient was examined by Dr. Pritam Paul at his chamber at “Manik Medical” on September 28, 2021 when Dr. Paul advised the patient for admission at G.F.C Hospital. Accordingly, the patient got admitted on August 30, 2021. The surgery was done on the next day. There was post surgical bleeding. The patient was having acute pain in abdomen. He was there till November 24, 2021 when he was discharged by Dr. Paul describing him “hemodynamically stable”. We understand, the said patient was re-admitted on December</p>

		<p>15, 2021 at GFC Hospital where his condition deteriorated and was referred to Calcutta Medical College. He was subsequently referred to SSKM on January 4, 2022. He breathed his last there on January 8, 2022.</p> <p>We have carefully examined the complaint as well as the response. We have heard the complainant as well as Mr. Kaushik Kr. Maity, the nephew of the patient. We have also heard Dr. B.K. Karmakar, the proprietor of the hospital. We do not find any serious complaint as against the hospital. It is a pure case of post surgical complication that could be questioned before the appropriate authority being the West Bengal Medical Council. The complainant has already approached the West Bengal Medical Council as against the treating Doctor. Hence, we dispose of this complaint by granting liberty to the complainant to approach us again if occasion so arises in future.</p> <p>The complaint is disposed of.</p> <p>Sd/- The Hon'ble Chairperson</p>
