Mr. Biswas is asking for review of the order. We cannot sit on appeal of our own order. We do not find any ground for review. The submission which Mr. Biswas now makes, is repetition of the earlier one. He would however, express financial difficulty and prays for instalment. We grant him six instalments as prayed for. Let him pay the instalments commencing from July 15, 2022 and thereafter on the fifteen day of its succeeding months.

In default of payment of any one instalment the entire sum then remaining due, would become immediately payable along with interest at the rate of seven percent per annum until realisation.

The complainant is directed to share her bank details with the CE so that the money could be sent to her bank account directly.

The review application is disposed of.
