ORDER SHEET

Office Note	Order No.	Date	Order
	1.	14/12/2022	<p>The complaint would pertain to medical negligence. The patient was suffering for her kidney ailment. She was having regular dialysis thrice a week at the Clinical Establishment. The patient ultimately died on September 12, 2022 while being treated at the CE.</p> <p>We have heard the complainant. We have also heard Dr. Anirban Sadhu, the treating consultant. We have also heard Ms. Basak representing the administration.</p> <p>We direct the Clinical Establishment to share all medical records including investigation reports to the complainant. Ms. Basak would contend, since the patient</p>

was under WBHS it would be difficult for the CE to share the original reports. We permit the CE to make copy of the same and furnish the copy to the complainant for his perusal.

The entire medical records should be sent by speed post.

The complainant would be at liberty to approach the West Bengal Medical Council questioning the treatment protocol. In case he is successful therein he would be at liberty to approach us afresh for appropriate relief as against the Clinical Establishment.

The complaint is disposed of.
