Case Reference: INT/KOL/2022/215

Mr. Prasenjit Sutradhar..... Complainant

vs

Manipal Hospital, Salt Lake..... Respondent/ Respondents

ORDER SHEET

| Office Note | Order No. | Date | Order |
|-------------|-----------|------------|---|
| | 1. | 14/12/2022 | <p>The complaint would relate to use of an expired vaccine on a 10 weeks old baby.</p> <p>The incident is very unfortunate. The CE, in so many words, admitted the fault. They would try to explain, a stray packet somehow escaped attention at the time of stock audit that resulted the mishap.</p> <p>We deprecate the incident. We caution the CE. We hope and expect, such incident would not recur in future.</p> <p>Mr. Arindam Banerjee representing the CE, would contend, in last 15 years no such incident ever happened that would not absolve them from the unfortunate incident that has happened. Fortunately, the baby is fine</p> |

and no side effect seemingly has happened.

We direct the CE to donate a sum of Rs. 50,000/- to the diagnostic centre run by Ramakrishna Mission, Udbodhon, Bagbazar on behalf of the child Anaisha Sutradhar.

We direct the CE to file a stock audit report with the Commission within a fortnight from date pertaining to vaccine so that the commission is assured, no such occurrence has taken place thereafter..

The complaint is disposed of accordingly.
