ORDER SHEET

Office Note	Order No.	Date	Order
	2.	23/12/2022	<p>This is an application for review. The complainant approached us with a complaint relating to anomaly in the result of pathological examination. We disposed off the complaint by directing refund of the investigation cost coupled with a penalty of Rs. 5,000/-. The complainant also claimed cost for Velore treatment that we disallowed.</p> <p>He has now come up with the application for review on the ground that considering the facts and circumstances the amount of penalty of Rs. 5,000/- is pittance and he should be reimbursed the entire cost of Velore treatment that we already rejected.</p>

This cannot be a ground in the application for review.

The application is rejected.
