Memo NO. 378 (1) /WBCERC/ 2022

To

The Chief Executive Officer/ Unit Heads/ Medical Superintendents
Clinical Establishments (all)

Madam / Sir ,

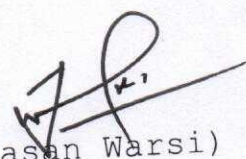

This is to inform you that the West Bengal Clinical Establishment Regulatory Commission has given an advisory which is as follows:

A D V I S O R Y - 2 9

By Advisory No. 12 dated August 22, 2020 the Commission advised the CEs not to increase the bed charge and keep it at par with the charge levied as on March 1, 2020. Such advisory was issued during the peak of covid pandemic. Now that the situation has improved a lot and considerable time has passed in between.

Considering the hardship that the CEs may be facing in view of such restriction for last two years, the Commission would modify the direction by asking the CEs to fix bed charges by suitably increasing the same. However, while doing so they would be permitted to increase it only once in a year and that too not above 10 percent of the prevalent bed charge.

You are requested to comply with the above advisory.
