Memo NO. 378 (3)/WBCERC/ 2022

Dated 18th APRIL, 2022.

To

The Chief Executive Officer/ Unit Heads/ Medical Superintendents

Clinical Establishments (all)

Madam / Sir ,

This is to inform you that the West Bengal Clinical Establishment Regulatory Commission has given an advisory which is as follows:

A D V I S O R Y - 3 1

It has come to the knowledge of the Commission that some of the CEs are charging separately for Resident Medical Officer (RMO) as well as nursing staff in critical care units.

The Commission would feel that these are essential services that a critical care patient would be having as part of critical bed charges and no extra charge should be levied for such purpose.

The CEs are asked to follow the foregoing advisory on that score and refrain from charging on the above count.

You are requested to comply with the above advisory.
