Mr. Jhantu Nayak Complainant

vs

Ohio Hospital..... Respondent/ Respondents

ORDER SHEET

Office Note	Order No.	Date	Order
	1.	06/06/2023	<p>This complaint would relate to treatment. The complainant would question treatment protocol that would be exclusively outside our domain. Records would reveal, the patient suffered cerebral haemorrhagic stroke. The treating doctor advised the patient that the treatment would be done conservatively and there would be no requirement of the neuro surgeon. The Neuro surgeon examined the patient and opined, it was not a case for surgery and he would agree with the neurologist that the treatment would be done conservatively. The complainant would contend, treatment was not properly done. The medicines that were prescribed, were not applied on the patient.</p>

		<p>We feel, this question would be effectively gone into by the appropriate authority being the West Bengal Medical Council. The CE is directed to render assistance to the complainant by sharing all medical records including BHT by Monday next.</p>
--	--	--

The complainant would be visiting the CE at 4 p.m. on Monday next to collect those medical records that would be kept ready as assured by Mr. Rana Das on behalf of the CE.

The complainant is granted liberty to examine the medical records. He would be at liberty to approach the medical council questioning the treatment protocol if he desires so.

In case he is successful therein he would be at liberty to approach us afresh as against the CE.

The complaint is disposed of accordingly.
