ORDER SHEET

Office Note	Order No.	Date	Order
	1.	29/08/2023	The complaint would relate to post surgical complication in a case of gallbladder surgery.
			We have heard the parties at length.
			Our esteemed member, Dr. M.L.Saha, is of the opinion, post surgical complication could have been properly taken care of. However, his observation is absolutely prima-facie and must not prejudice the ultimate decision of appropriate body of experts.
			We understand, the curative surgery was done at the CE. The CE totally waived off the second admission bill.
			This matter should be referred to the West Bengal

1

Medical Council for their appropriate decision on the issue of treatment protocol.

The complainant has other issues against the CE that would only be gone into after a proper decision is taken by the West Bengal Medical Council on the medical issue.

Let the records be transmitted to the West Bengal Medical Council for their appropriate decision.

In case the complainant would receive any positive decision in his favour he would be at liberty to approach us afresh. We would reopen the issue and decide the hospital negligence, if any, accordingly.

The complaint is disposed of accordingly.
